

Hand-washing. Reinvented.

Miele washing machines have a patented Honeycomb Drum that's even more delicate on your delicates than you – meaning your clothes will last up to 4 times longer. With over 100 years of professional fabric care experience to draw on we've certainly had time to practice.

Experience the Miele Difference. For further information call 01 461 0710 or log on to www.miele.ie
