

# When you fancy a perfect cup of coffee, invite yourself back to your place.

Coffee lovers don't get out much these days. Not since Miele introduced the first built-in coffee machine to use the NESPRESSO® system. Simple to use, fully automatic and with 12 seductive blends to choose from, you can now have your coffee served just how you like it. At home. If you'd like to know more about the NESPRESSO® call 01 4610710. [www.miele.ie](http://www.miele.ie)
