Information on critical substances

Obligation to inform according to Art.33 of the European Regulation 1907/2006 about substances so-called "[REACH Candidate List](#)",
Date of last update 08.07.2021

If articles of our products contain a substance of the so-called "REACH Candidate List" > 0.1% w/w (weight percent), please refer to the PDF.

With the adherence of all substance restricting European regulatory requirements by Miele is assured that, in the proper handling of our products be ensured, no risk to the environment or health when using or disposing of them.

1 Ovens / Dialogue Cookers
